Mr. Alfredo Ríos
Crew Leader, Street Operations/Concrete
Street Services Department, City of Dallas
8955 Adlora
Dallas, TX 75238

Dear Mr. Ríos,

On behalf of the City of Dallas, it gives me great pleasure to commend you and your entire crew for the professionalism and dedication you have exhibited in service to our citizens.

Mr. Robert Maier, who observed you as you paved the alley behind his home, was very complimentary about how you explained the work process, stayed on schedule, ensured quality standards and worked as a team to complete the job efficiently. You have set an example of excellence not only within the Street Services Department, but for all City staff.

Best wishes for continued success to you and all of your hard-working crew. Thank you for what I suspect are many, many jobs well done.

Sincerely,

Laura Miller
Mayor
